

INTERNSHIP PROGRAM

Summer Internship Program at Devil Mountain

Devil Mountain Wholesale Nursery is accepting applications for our three-month summer internship program. An ideal candidate is an energetic, reliable, and detail oriented self-starter, with some coursework in horticulture or a related field of study. We will provide valuable training in all areas - receiving, pulling orders, deliveries, production, buying, and sales. Interns will join the sales team to provide support and work directly with customers at our sales counter.

Primary responsibilities include:

- Training in all departments
- Counter sales and sales support
- Preparation of estimates, orders, and invoices

Required Skills:

- Prior experience in a horticultural-related field or coursework in horticulture, botany, environmental studies, or a related field
- Proficient computer user
- Excellent judgment and decision-making abilities
- Strong communication skills, self-confidence and discretion
- Ability to work both independently and as a team player

Compensation:

This is a paid position.

Locations:

We are recruiting interns for all four of our Northern California locations.

To apply:

Please send resume and cover letter to employment@devilmountainnursery.com.
