About Devil Mountain Wholesale Nursery

Devil Mountain Wholesale Nursery provides landscape professionals with access to more plant varieties than any other wholesale nursery in Northern California. We pride ourselves in having a knowledgeable sales staff, quality plants, and extensive delivery capacity throughout the region.

We operate ten nurseries and growing grounds throughout California. Our buyers also travel to quality growers throughout the country – from small specialty growers to the largest in the nation – in search of the most exceptional plants for our professional customers. Visit us online at devilmountainnursery.com.

Our fleet of Class A trucks are new, low mileage, and automatic. Drivers will be responsible for facilitating local deliveries, as well as deliveries between our four nursery locations.
