

Position Available:

Class A Customer Delivery Driver

The Class A Customer Delivery Driver delivers Devil Mountain's largest inventory to customers on semi-trucks or between nurseries.

Primary Responsibilities

- Performs pre and post trip inspections on Company truck, reports mechanical and maintenance issues immediately.
- Checks fluids, adds fuel to vehicles as needed.
- Ability to attach and detach loaded trailers to semi-truck.
- Ability to perform minor repairs and maintenance on truck while out on the road (such as a damaged air liner).
- Ensures the load is secure, proper tie downs are attached and estimated weight requirements are followed.
- May deliver to customers at business, residential or construction sites. Will communicate the estimated arrival time with customers throughout the day.
- Exhibits great customer service. Acts in a friendly and courteous manner.
- May deliver to other Devil Mountain locations to transfer plant material on designated loop route or may meet at central meeting point and swap trailers with another Devil Mountain Driver.
- May assist in loading and unloading of plant materials.
- At times, may require an overnight trip to drop materials.
- General care for the nursery grounds, keeping the nursery clean, organized, and safe for employees, customers, and vendors.
- General care for nursery stock (plants), ensures plants are watered, handled with care, and are placed in the appropriate location.

Experience and Other Requirements

- We may request that crane certification be obtained during employment for operation of crane truck.
- May go out and make a customer delivery in a box truck while waiting for trailer to be unloaded/reloaded.
- May assist in other nursery departments as needed
- Duties are subject to change at any time per management's discretion.
